The Women of St. Margaret's invite you to join them for a

KNIT-A-THON

Saturday, March 18, 2017
8am to 8pm
St. Margaret's Episcopal Church, 95 Court St., Belfast

All proceeds will be benefit members of the local community through the **Community Love Fund**, which provides money for families and individuals facing medical, housing and/or other serious needs.

How does it work?

Participants should complete the donation/sponsor form prior to the event. The idea is to get sponsors to make flat donations, or donate based on the amount of hours the participant will be knitting. For example, a sponsor may give $5.00, or offer to pay the knitter $2.00 per hour. Any and all are welcome, and while knitting will be the focus, other fiber artists are more than welcome to join the event.
